Soft as the voice of an angel  
Breathing a lesson unheard  
Hope with a gentle persuasion  
Whispers a comforting word

Wait till the darkness is over  
Wait till the tempest is done  
Hope for the sunshine tomorrow  
After the shower is gone

Whispering hope  
(Whispering hope, whispering hope)  
Oh, how welcome thy voice  
(Whispering hope)  
Making my heart  
(Making my heart)  
In its sorrow rejoice

If in the dusk of the twilight  
Dimmed be the region afar  
Wilt deepening darkness  
Brighten the glimmering star

Then when the night is upon us  
Why should the heart sink away?  
When the dark midnight is over  
Watch for the breaking of day

Whispering hope  
(Whispering hope, whispering hope)  
Oh, how welcome thy voice  
(Whispering hope)  
Making my heart  
(Making my heart)  
In its sorrow rejoice

Whispering hope  
(Whispering hope, whispering hope)  
Oh, how welcome thy voice  
(Whispering hope)  
Making my heart  
(Making my heart)

In its sorrow rejoice
