The other night dear, as I lay sleeping  
I dreamed I held you in my arms  
When I awoke, dear, I was mistaken  
So I hung my head and I cried.

You are my sunshine, my only sunshine  
You make me happy when skies are gray  
You'll never know dear, how much I love you  
Please don't take my sunshine away

So let the sunshine in  
Faces with a grin  
Smilers never lose  
And frowners never win

So let the sunshine in  
Faces with a grin  
Open up your heart  
And let the sunshine in

My mommy told me something  
That little girl should know  
It's all about the devil  
And I learn to hate him so  
I know he'll be unhappy  
'Cause I'm never with a frown  
Maybe if we keep on smiling  
He'll get tired of hanging around  
So let the sunshine in  
Faces with a grin  
Smilers never lose  
And frowners never win

So let the sunshine in  
Faces with a grin  
Open up your heart  
And let the sunshine in

So let the sunshine in  
Faces with a grin  
Smilers never lose  
And frowners never win

So let the sunshine in  
Faces with a grin  
Open up your heart  
And let the sunshine in
