[Kool Keith]

Yeah! Kool Keith's brother Sinister 6000!

Four thou', 39 killowatts

Drop lyric

Eternal thoughts combine, bluh blah, supersonic courts

Colt .45's amped up; gates pump, compressors leak

Maximum out-strength the bass meter stretch a length

JBL Dolby's ADAT's Ampegs transfer to the wax

Sinister 6000 new rap styles I be housin

My style is Europe freestyles that pump in Amsterdam

with the Mackey 32 expanding ? pro tools

Stadiums packed with speakers, 50,000 people

Digital formats with Sony amps pumpin equal

With rapid-fire no joke I burn your crew for hire

with big dynamics on this automic, aerobics

Female vocals choke, them highs get them systems

broke

Buy software that's industrial, metal hardware

Vocal rack 4000

Ulysses X-2 warp compounds like high-tech voodoo

Sequence ranges strange like maggots growing in

your brains

8,000 bugs crawling on your skin, I'm back again my
friend

Sinister 6000, 5 11 seven thousand

Black monsters in the house

Who wanna step to the Invisible Man

as I chamber, lock you in command

{*the rest is instrumental and samples of Kool Keith

saying ""sort of.. break it.. down like this""*}
