Here's to us one more toast and then we'll pay the bill  
Deep inside both of us can feel the autumn chill  
Birds of passage, you and me, we fly instinctively  
When the summer's over and the dark clouds hide the sun  
Neither you nor I'm to blame when all is said and done

In our lives we have walked some strange and lonely  
treks  
Slightly worn but dignified and not too old for sex  
We're still striving for the sky, no taste for humble pie  
Thanks for all your generous love and thanks for all the fun  
Neither you nor I'm too blame when all is said and done

It's so strange when you're down and lying on the floor  
How you rise, shake your head, get up and ask for more  
Clear headed and open eyed with nothing left untried  
Standing calmly at the crossroads, no desire to run  
There's no hurry anymore when all is said and done

Standing calmly at the crossroads, no desire to run  
There's no hurry anymore when all is said and done
