### **"I Don't Wanna Miss A Thing"**

(with Lauren Kennedy, Sarah Stiles)

I sent it amazing

I can feel this great like the whole world's waiting on me

When I snap my fingers people all count out

And I guess that's how it was meant to be

My future's near so I'm aiming straight ahead

Cause it's all guaranteed I will get what I need

Like my parents always said

I'm telling you (uh oh)

I don't wanna miss a thing (no)

I know I can have it all (whoa)

I want the American dream

My mom and dad both promised

That I'll have it on a string

I'll be living in bliss

And I don't wanna miss a thing

Everyday is Christmas

The whole year long and there's nothing wrong about

that

I get all I ask for

From a teddy bear to a troll doll wearing a pill box hat

As for my goals there's no secret in my search

Be a mother and wife for the rest of my life

With a few short breaks for church

So sing it now (uh oh)

I don't wanna miss a thing (no)

I'm not gonna be denied (whoa)

I want the American dream

And I'll have the perfect husband

And the perfect diamond ring

Moving on with a kiss

And I don't wanna miss a thing

I wanna have a couple kids  
I wanna join a country club  
I wanna live just like a queen  
I'm miss america

I wanna bake a casseroll  
I wanna make a jello mold  
I wanna cook but never clean  
I wanna have the perfect house  
i wanna aford the perfect Tv set  
i wanna look like Doris Day

I wanna man to cherish me  
I wanna man whos organized  
I wanna man who listens when I say  
Now listen to me baby

(uh oh)  
I don't wanna miss a thing (no)  
I don't wanna miss the bus (whoa)  
I want the american dream  
And together we will grab it  
And together we will sing

Nothings better than this  
Nothings better than this  
I dont wanna miss  
I dont wanna miss no  
i dont wanna miss a thing
