It's falling, it's falling
And outside a building
Comes tumbling down
Inside a child on the ground
Says he'll do it again
And what am I to do
What in the world am I to say - there's nothing else to
do
He says I'll change the world someday
I rejoice

He's building, I'll follow
In my bed when I woke up
To what he has said
Maybe it's crazy
But I'm too lazy to lie

And what am I to do
Just tell me what am I supposed to say - I can't change
the world,
But I can change the world in me
If I rejoice
Rejoice
What am I to say

And what am I to do
Just tell me what am I supposed to say - I can't change
the world,
But I can change the world in me
If I rejoice

I don't know
I don't know what to change
Rejoice
I can't change the world
Rejoice
It's falling, it's falling
And outside a building
Comes tumbling down
Rejoice
Rejoice

Rejoice
