met this girl last night
hey move you elbow

chorus:
and its a fine life carrying the banner through it all
a mighty fine life carrying the banner tough and tall
every morning we goes where we wishes
wes as free as finshes
sure beets washin dishes
what a fine life carrying the banner through it all

its takes a smile as sweet as butta
the kind the ladies cant resist
it takes an orphane with a studda
who aint afraid to use his fist

summa stinks and winters wating
welcome to new york
boy aint nature fasinating
when yous gotta walk
