Every day I write the list  
Of reasons why I still believe they do exist  
(a thousand beautiful things)  
And even though it's hard to see  
The glass is full and not half empty  
(a thousand beautiful things)  
So... light me up like the sun  
To cool down with your rain  
I never want to close my eyes again  
Never close my eyes  
Never close my eyes

I thank you for the air to breathe  
The heart to beat  
The eyes to see again  
(a thousand beautiful things)  
And all the things that's been and done  
The battle's won  
The good and bad in everyone  
(this is mine to remember)  
So ...  
Here I go again  
Singin' by your window  
Pickin' up the pieces of what's left to find

The world was meant for you and me  
To figure out our destiny  
(a thousand beautiful things)  
To live  
To die  
To breathe  
To sleep  
To try to make your life complete  
(yes yes)  
So ...  
Light me up like the sun  
To cool down with your rain  
I never want to close my eyes again  
Never close my eyes  
Never close my eyes ...  
That is everything I have to say

(that's all I have to say)
