Old man lying by the side of the road
With the lorries rolling by
Blue moon sinking from the weight of the load
And the buildings scrape the sky

Cold wind ripping down the alley at dawn
And the morning paper flies
Dead man lying by the side of the road
With the daylight in his eyes

Refrain:
Don't let it bring you down
It's only castles burning
Find someone who's turning
And you will come around

Blind man running through the light of the night
With an answer in his hand
Come on down to the river of sight
And you can really understand

Red lights flashing through the window in the rain
Can you hear the sirens moan?
White cane lying in the gutter in the lane
And you're walking home alone

(Repeat refrain, first stanza, refrain)
