I can turn the grey sky blue  
And I can make it rain  
Whenever I want it to  
And I can build a castle  
>From a single grain of sand  
And I can make a ship sail  
On dry land  
But my life is incomplete  
And I'm so blue  
'Cause I can't get next to you  
I can't get next to you,babe  
I can't get next to you  
I can't get next to you,babe  
I can't get next to you  
I can fly  
Like a bird in the sky  
I can buy anything  
That money can buy  
I can turn a river into a raging fire  
I can live forever if I so desire  
But I don't want it all these things I can do  
'Cause I can't get next to you  
I can't get next to you,babe  
I can't get next to you  
I can't get next to you,babe  
I can't get next to you  
I can turn back the hands of time  
You better believe I can  
I can make the season change  
Just by the wave of my hand  
I can change anything from one to two  
The thing I wanna do the most  
I'm unable to do  
I'm an unhappy woman with all the powers I possess  
'Cause man you're the key to my happiness  
'Cause I can't get to next to you  
Ooh you're blowin' my mind  
'Cause I can't get next to you  
Can't you see these tears I'm cryin'  
I can't get next to you  
Oh it's you that I need

I gotta get next to you  
Can't you see these tears I'm cryin'  
Can't get next to you  
I,I,I,I,I  
Can't get next to you  
I,I,I,I,I  
Can't get next to you
