"I Think Of You"

I love you like a stream flows restless to the sea
See you like the mist touches clouds, touches me
See you in the stars wherever you may be
I think of you, think of you
If ever you're near and have some time to spend
I love you every way, love you like a friend
And then when you leave a whisper in my mind
I think of you, think of you
When I see a bird fly over to the sea
And the sun in the sky is shining warm and free
And when I feel the wind blow cool over me
I think of you, think of you
