If my loving you  
could change the river's flow  
I would not let you drift away from me  
I'd never let go  
I want to be by your side  
but the water's too deep and wide

[Chorus:]  
In another life  
In another place  
I have held you close  
I have known your grace  
in another world  
in another time  
you'll be mine  
you'll be mine

If I touched you now  
I'd only lose my mind  
in a cruel world we live in  
one life at a time  
I don't know where or when  
but we'll pass this way again

[Chorus 2x]
