Lay down  
Your sweet and weary head  
Night is falling  
You have come to journey's end

Sleep now  
Dream--of the ones who came before  
They are calling  
From across a distant shore

Why do you weep?  
What are those tears upon your face?  
Soon you will see  
All of your fears will pass away

Safe in my arms  
You're only sleeping

What can you see  
On the horizon?  
Why do the white gulls call?

Across the sea  
A pale moon rises  
The ships have come  
To carry you home

And all will turn to silver glass  
A light on the water  
All souls pass

Hope fades  
Into the world of night  
Through shadows falling  
Out of memory and time

Don't say  
We have come now to the end  
White shores are calling  
You and I will meet again

And you'll be here in my arms  
Just sleeping

What can you see  
On the horizon?  
Why do the white gulls call?

Across the sea  
A pale moon rises  
The ships have come  
To carry you home

And all will turn to silver glass  
A light on the water  
Grey ships pass  
Into the West
