It's alright - baby's coming back  
And I don't really care where he's been  
It's alright - baby's coming back  
And I won't turn him around this time  
I'll be your cliff (you can fall down from me)  
I'll be your ledge (you can lean upon me)  
I'll be your bridge, your flowering tree  
You can still depend on me...  
And I'll be (the ticking of your clock)  
And I'll be (the numbers on your watch)  
And I'll be (your hands to stop the time)  
I'll even be your danger sign.  
It's alright - baby's coming back  
And I don't really care where he's been  
It's alright - baby's coming back  
And I'll be (your grace your dignity)  
And I'll be (your night your destiny)  
And I'll be (your comfort and your ease)  
I will be your storm at seas...  
And I'll be (your sharp intake of breath)  
And I'll be (your work I'll take no rest)  
And when the world falls to decline  
I'll be yours and you'll be mine  
It's alright - baby's coming back  
And I don't really care where he's been  
It's alright - baby's coming back  
Make it easy on yourself tonight
