Come they told me (ba rum bu bu bum)  
A new born king to see (ba rum bu bu bum)  
Our finest gifts we bring (ba rum bu bu bum)  
To set before the king (ba rum bu bu bum)  
Rum bu bu bum, Rum bu bu bum  
So to honor him (ba rum bu bu bum)  
When we come  
Little baby (ba rum bu bu bum)  
I am a poor boy too (ba rum bu bu bum)  
I have no gift to bring (ba rum bu bu bum)  
That's fit to give a king (ba rum bu bu bum)  
Shall I play for you (ba rum bu bu bum)  
On my drum  
Then he nodded (ba rum bu bu bum)  
? kept time  
I played my drum for him (ba rum bu bu bum)  
I played my best for him (ba rum bu bu bum)  
Rum bu bu bum Rum bu bu bum  
Then he smiled at me (ba rum bu bu bum)  
Me and my drum  
Me and my drum  
Me and my drum  
Me and my drum  
Me and my drum
