You have placed a chill in my heart
You have placed a chill in my heart
Take me to the desert
Where there's got to be
A whole heap of nothing
For you and me
Take me to the desert
Take me to the sand
Show me the colour of your right hand
You have placed a chill in my heart
You have placed a chill in my heart
Love is a temple
Love is a shrine
Buy some love at the five and dime
A little bit of love
>From the counter store
Get it on credit if you need some more
I'll be the figure of your disgrace
A criss cross pattern upon your face
A woman's just too tired to think
About the dirty old dishes in the kitchen sink
I wish I was invisible
So I could climb through the telephone
When it hurts my ear
And it hurts my brain
And it makes me feel too much
Too much too much too much
Don't cut me down
When I'm talking to you
'Cause I'm much too tall
To feel that small
Love is a temple
Love is a shrine
Love is pure
And love is blind
Love is a religious sign
I'm gonna leave this love behind
Love is hot and love is cold
I've been bought and I've been sold
Love is rock and love is roll
I just want someone to hold
