The fire that burns  
Deep down in me  
The pleasure and pain  
That aches constantly

That's love  
It's the real true thing  
It's hard to believe  
It hurts to be in love

The love that you know  
You're stuck in in still  
The joy from your heart  
It seems so unreal

That's love  
It's the real true thing  
Well, it's hard to believe  
It hurts to be in love

If you see the tears  
Fall from my eyes  
You have to be in love  
To know the reason why

But you're into things  
That I'll never feel  
Are a part of the things  
That makes your love so real

Although your arms  
Are holding me so tight  
The sadness you feel  
It doesn't seem right

That's love  
It's the real true thing  
It's hard to believe  
It hurts to be in love

If you see the tears  
Fall from my eyes

You have to be in love  
To know the reason why

But you're into things  
That I'll never feel  
Are a part of the things  
That makes your love so real

Although your arms  
Are holding me so tight  
The sadness you feel  
It doesn't seem right

That's love  
It's the real true thing  
It's hard to believe  
It hurts to be in love

It's hard to believe  
It hurts to be in love  
That's love
