We'll tell our parents the best of things no matter how  
awful they seem.

The sickness of a family.

Trace your eyes, wake and retrieve,

The morning sun can look so mean - the color.

Kiss your head don't say a thing

We'll live forever in books darling.

It's the secrets beneath the leaves I keep with me. I'm  
falling up and down.

And I'll never write the letter, I wish you could read the  
words perfectly. *[twice]*
