Here I sit surrounded by white
My arms wrapped around my back real tight
What did I do that was so wrong that I have to pay
I don't think anyone's gonna miss her anyway

Just couldn't take anymore shit
So with a swing of my blade her stomach was split
Putrid blie and guts all over the floor
Couldn't help, but laugh at this vision of gore

Severed flesh began to expel blood
Stench of defecation as I cut
Shoved my hand into the gaping slice
As you tried to emit gurgled cries
Intestines on the ground
Guts removed
Disembowel

Twitching violently
Dying in agony
Blood comes flowing forth
Eyes no longer see

Severed flesh began to expel blood
Stench of defecation as I cut
Shoved my hand into the gaping slice
As you tried to emit gurgled cries
Intestines on the ground
Guts removed
Disembowel
