

Autopsy "Slaughterday"

Visit "[Slaughterday](#)" on MotoLyrics.com

Darkened day

Torturous ways

Live only to die

Slaughterday

Cast into flames

Stoned to death

Law of the lords

Uncontrollable hoard

Headless bodies on the ground

War machine leaves no life behind

Blood soaks deep into the earth

Sadistic race

Rip out your heart

Strung up

Cannibals eat your flesh

Cooked

Survival of the fittest

Peel your flesh from the bone

Souless body left alone
