[[George Carlin (Intro)]]

[[Chorus 'Gamma Ray' Introduction from "No World Order" Album.]]

ILLUMINATI, YOU'VE COME TO TAKE CONTROL
YOU CAN TAKE MY HEART BEAT
BUT YOU CAN'T BREAK MY SOUL
WE ALL SHALL BE FREE!

[[George Carlin]]

ILLUMINATI, YOU'VE COME TO TAKE CONTROL
YOUR NEW WORLD ORDER
WILL LEAD TO NOT AT ALL
WE ALL SHALL BE FREE!

[[Anon-One (Verse One)]]

Open up your eyes; wake the fuck up America!

Elite control your lives with fear; just scaring ya'

With terror on your screen telling you what to believe

But who benefits from panic, hunger, and greed

That's how they feed upon the masses like a fucking disease

The only answer is to rise up; get up off your fucking knees

Tap into your inner-being like a 33rd degree

I'm planting mental-seeds for man to break free of an evil creed

You can't see, 'cause you ain't believing me, but I'm telling thee,

That tele-v ain't truth; just professionally

manufacturing

A fallacy un-balancing your talents; we

Tragically; waiting for things to fucking change
magically

& mystically; rewrite our fucking history; this ain't no
bullshit mystery

Unlock the prison with the key

It's in your mind with no bars to see!

[[Chorus]]

ILLUMINATI, YOU'VE COME TO TAKE CONTROL
YOU CAN TAKE MY HEART BEAT
BUT YOU CAN'T BREAK MY SOUL
WE ALL SHALL BE FREE!

[[Bill Maher]]

ILLUMINATI, YOU'VE COME TO TAKE CONTROL
YOUR NEW WORLD ORDER
WILL LEAD TO NOT AT ALL
WE ALL SHALL BE FREE!

[[Anon-Two (Verse Two)]]

Fuck the internet; it took away your intellect

It stripped you of respect, so now this is what you're left
with

What's the symptoms of distress?

Witch prescription is the best?

The definition of misdirection

Doctor's orders; get some rest

His hocus-pocus diagnosis got you focusing on stress

These politicians ain't no better

Fit the description of the devil

Grab your pistols and get ready

'Cause they're trying to play Geppetto

Yeah they're trying to pull the strings

Have us jumping through the rings

But they treat like we're property

We're fucking human beings!... man

Things are not that way it seems; rarely

See the American dream, 'cause it's more like a
nightmare

Fight fair? yeah I'll do that when a vote counts

Yeah, I'll do that shit when they don't doubt

Until then we're all anonymous on mission going all
out!

[[Chorus]]

ILLUMINATI, YOU'VE COME TO TAKE CONTROL
YOU CAN TAKE MY HEART BEAT
BUT YOU CAN'T BREAK MY SOUL
WE ALL SHALL BE FREE!

[[Peter Finch from the film "Network" (1976)]]

ILLUMINATI, YOU'VE COME TO TAKE CONTROL
YOUR NEW WORLD ORDER
WILL LEAD TO NOT AT ALL
WE ALL SHALL BE FREE!

[[Bill Maher (Outro)]]
