We were both young when I first saw you  
I close my eyes  
And the flashback starts  
You're standing there  
On a balcony in summer air

See the lights  
See the party, the ball gowns  
You see me make my way through the crowd  
And say hello, little did you know

That I was Romeo, I was throwing pebbles  
And your daddy said stay away from Juliet  
And you were crying on the staircase  
Begging me please don't go, and I said

Juliet I'll take you somewhere we can be alone  
I'll be waiting all there's left to do is run  
I'll be the prince and you'll be the princess  
It's a love story baby just say yes

So you sneak out to the garden to see me  
We keep quiet 'cause we're dead if they knew  
So close your eyes  
Escape this town for a little while

'Cause I was Romeo, you were a scarlet letter  
And your daddy said stay away from Juliet  
But you were everything to me  
You were begging me please don't go and I said

Juliet I'll take you somewhere we can be alone  
I'll be waiting all there's left to do is run  
I'll be the prince and you'll be the princess  
It's a love story baby just say yes

Juliet I'll save you, they try to tell us how to feel  
This love is difficult, but it's real  
Don't be afraid, we'll make it out of this mess  
It's a love story baby just say yes  
Oh oh

You got tired of waiting  
Wondering if I was ever coming around  
Your faith in me was fading  
When you met me on the outskirts of town, and you  
said

"Romeo save me I've been feeling so alone  
I keep waiting for you but you never come  
Is this in my head? I don't know what to think"  
I knelt to the ground and pulled out a ring

And said, marry me Juliet  
You'll never have to be alone  
I love you and that's all I really know  
I talked to your dad, go pick out a white dress  
It's a love story baby just say yes

Oh, oh, oh, oh  
'Cause we were both young when I first saw you
