Ja entenc per qu  tot el m n va al rev s  
I no volem trobar solucions als problemes que hi han  
No vulguis ser el que no ets

Sempre est s pensant en si vius b c  
I no hi ha temps per lo dem s  
El m n en joc i no fas res

Tots estem d'acord ho podem fer  
Podem unir-nos, fer-ho b c  
Reflexiona tu mateix, tu mateix  
(One two, one two, one two three four)

Left, right, up and down, it's upside down  
That's how we make the world turn now  
Can't hide the fact that it's happening

We can do our world some good  
We can make a change, it's what we should  
Time will tell us, but we must act now  
(Let's go)

El problema sembla ser  
Que l'inter s no  c el mateix  
Arreglar d'un cop el m n  
 s possible si ho fem tots

Tots estem d'acord ho podem fer  
Podem unir-nos, fer-ho b c  
Reflexiona tu mateix, tu mateix  
(One two, one two, one two three four)

Left, right, up and down, it's upside down  
That's how we make the world turn now  
Can't hide the fact that it's happening

We can do our world some good  
We can make a change, that's what we should  
Time will tell us, but we must act now  
(Only you)

Left, right, up and down, it's upside down  
That's how we make the world turn now  
Can't hide the fact that it's happening

We can do our world some good

We can make a change, that's what we should  
Time will tell us, but we must act now

We realise it, but we don't act  
'Cause we grab on to what we have  
We still can act but we don't react  
'Cause we only care about what we have  
About what we have
