I never stop always on the go  
Doing your job is why I waste my time for  
Being fed up you've become a vicious foe  
Can't you see that...

I'm exhausted  
I'm out of breath  
I keep on cause I always try to do my best  
I'm exhausted  
I'm out of breath  
Don't push I'm falling in excess

You always hide never on the run  
Forever behind is your main position  
Waiting in line  
For something to be done  
Can't you see that...

I'm exhausted  
I'm out of breath  
I keep on cause I always try to do my best  
I'm exhausted  
I'm out of breath  
Don't push I'm falling in excess

Want to do something  
Find a way  
Don't wanna do anything  
Nothing more

I'm exhausted  
I'm out of breath  
I keep on cause I always try to do my best  
I'm exhausted  
I'm out of breath  
Don't push I'm falling in excess

Out of breath out of breath!
