If one day I get over you, I'd be surprised
I'll always come back to you, you drive me wild
I could drink i case of you and be sober
Only have eyes for you.
This feeling just won't let me go

But all in love is fair
That's what they always say
My problem is i care
About you and me
Your are an angel I swear

All I got is crazy love
Baby i adore you
I want to make you feel my love
Girl, It's waiting for you
I can't make you love me.
But I gotta say you knock me off my feet
I just want one more slow dance
Baby I'm on bended knee

Remember when we used to groove to let's get it on
If you were still my girl tonight, that would be our song
I'll always have you here in my mind like Carolina, but
Now your gonna break my heart and tell me that out
was all wrong.

But all in love is fair
That's what they always say
My problem is I care
When i'm old and grey I want you to be there

What I got is crazy love
Baby I adore you
I want to make you feel my love
Girl, It's waiting for you
I can't make you love me.
But I gotta say you knock me off my feet
I just want one more slow dance
Baby I'm on bended knee

Oooh I can build my whole world around you

Girl you know I would.
Baby why don't you let me love you
(You know we'd be good)
I wanna know that i cross your mind
That you wanna be in these arms of mine
I know that I'm the stubborn kind.
I'm nothing if I ain't got you

All I got is crazy love
Baby I adore you
I want to make you feel my love
Girl, It's waiting for you
I can't make you love me.
But I gotta say you knock me off my feet
I just want one more slow dance
Baby I'm on bended knee
