look into my eyes  
and you will see what you mean to me  
search your heart and search you soul  
when you find me there  
you'll search no more

don't tell me  
it's not worth trying for  
can't tell me  
it's not worth dying for

you know it's true  
everything I do, I do it for you  
look into your heart  
and you will find there's nothing there to hide  
take me as I am, take my life  
I would give it all, I would sacrifice

don't tell me  
not worth fighting for  
can't help it  
nothing I want more

you know it's true  
everything I do I do it for you

there's no love, like your love  
and no other could give more love  
there's nowhere, unless you're there  
all the time all the way

can't tell me  
not worth trying for  
can't help it  
nothing I want more

yeah, I would fight for you  
I'd lie for you  
walk miles for you  
girl, I'd die for you  
you know it's true  
everything I do woah I do it for you
