Baby why you wanna treat me so bad  
Make me wanna trust what I can't have  
Believe that it's perfect  
Think that it's worth it

Tell me why you wanna love me so wrong  
Keep me chasing a dream that is so gone  
I'm starting to see  
It's all make believe

I'm not saying I'm a perfect man  
But you won't ever get my heart again  
Cause if this is over  
There won't be no second chance

Chorus:  
I'm letting you go  
I'm turning around  
Not gonna stay to let you come back now

Just want to breathe  
No need to speak  
Don't wanna hear apologies

This is my goodbye  
Saying my goodbye (goodbye)  
This is my goodbye, goodbye

It's hard to move on when the truth hurts  
And all of the emotions are just words  
Head's finally clear,  
Won't be no tears

I'm not saying I'm a perfect man  
But you won't ever break my heart again  
Cause now this is over  
There won't be no second chance

Chorus

So now I'm moving on  
I'm stepping back from the edge

You've been long gone  
Just getting into my head  
No more memories  
This is the end

Goodbye, ooh, good bye

Chorus
