I feel like the world is over
Am I the only one?
Like there's no time for wasting
It's too close to being done

Time is not on your side, no
Time is not on your side
Time is not on your side, no
Time made to fly

Tick by tick it's going
Day by day it's gone
Beat by beat it's going
Age by age it's gone, yeah

Yesterday was just a day
Amazing how these days fade
You just take it as it comes
And love it as it goes
'Cause you never know
Where it goes

I feel like my world is falling
Gonna crash right into the sun
And I don't know where that's gonna put me
I guess I'll be right with everyone, oh

Time is not on your side, no
Time is not on your side
Time is not on your side, no
Time made to fly

Tick by tick it's going
Day by day it's gone
Beat by beat it's going
Age by age it's gone, yeah
