I love you you hate me I hate you
You love me I want you to want me
Don't want you to want me
I know you don't know me the way that
I know you, don't want you to leave me
So don't make me leave you

End of the line, end of my line-o

It's a thin line between love and hate
What am I gonna do with you?
It's a thin line between love and hate
Don't know what I'd do without you
What am I gonna do with you?
Don't know what I'd do without you

What am I gonna do?
Gonna Walk the line, walk the line

I want you to feel me
Don't want me to feel you
I'd love you forever
I'll leave you tomorrow
One gives me love
But the other's got dope
Now I'm losing my mind
At the end of the rope
End of my rope

Lab rat, zoo cat, I'm trapped
You're trapped, Caged up, used up
Out of luck, we're all fucked
It's the thin line between love and hate
