You total disgrace
I can't seem to break
This habit of lies I weave
Well I've emptied my soul
For a cause that has failed
Corruption is all I crave
I am addicted
Digging out a grave for all to see
I have laid this cross upon my shoulders
There is nothing left for me to say

(CHORUS)

OH here I go again
This life I cannot win
Another black day is rising
OH here I am again
This life is wearing thin
Another black day is rising
In ME!

The damage is done
What a fool I've become
I've poisoned my mind again
Well I've given away another piece of my soul
Deception is all I crave

I am afflicted
Digging out a grave for all to see
I have laid this cross upon my shoulders
There is nothing left for me to say

(CHORUS)

OH here I go again
This life I cannot win
Another black day is rising
OH here I am again
My life is wearing thin
Another black day is rising
In ME!

(Guitar solo)

OH here I go again
This life I cannot win
Another black day is rising
OH here I am again
This life I cannot win
Another black day is rising
Rising
In ME!
