Revelations from within my restless soul.  
Degradation, I punished all I knew.  
Wake him, glorious applause.  
Praise him, glorious.

This is who I am.  
I don't need your sympathy.  
No I don't need it anymore.  
This, is who I am.  
I don't need your empathy.  
No I don't need it anymore.

Revolution in my tired restless mind.  
Persecution, is madness all I find?  
Wake him, glorious applause.  
Praise him, glorious.

This is who I am.  
I don't need your sympathy.  
No I don't need it anymore.  
This is who I am.  
I don't need your empathy.  
No I don't need it anymore.

Decimate me and I will rise.  
No, I don't need your sympathy.  
No, I don't need it anymore.  
Persecute me and I will rise.  
No, I don't need your empathy.  
No, I don't need it anymore.

Decimate me and I will rise.  
No, I don't need your sympathy.  
No, I don't need it anymore.  
Persecute me and I will rise.  
No, I don't need your empathy.  
No, I don't need it anymore.

No, anymore.  
No, I don't need it anymore.  
No, I don't need you anymore.
