Why fight? Is this for real  
Or is it something I'll change?  
I'll wait, give me a sign  
Before I fade.

I've wasted  
My life.  
I've wasted  
My time.

I am awakened by my disease.  
Don't be mistaken, it's what I need.

Can I find anything good in you  
Or is it hopeless to find?  
Can I find anything good in me  
Or am I blind?

I've wasted  
My life.  
I've wasted  
My time.

I am awakened by my disease.  
Don't be mistaken, it's what I need.

Awaken me.

I am awakened by my disease.  
Don't be mistaken, it's what I need.  
I am awakened by my disease.  
Don't be mistaken, it's what I need.
