Am I trapped again?  
Will I find my way?  
Will I seek the truth in your lies  
Or will I fade?

Nothing means a thing to me  
When darkness rules my world.  
I'm a slave for you, I'm a pawn  
Within this game of death I play.

I can hear it calling,  
Why have you betrayed me?  
When my skin is crawling  
Far from myself.  
Can you hear me calling?  
I need you to save me.  
When my skin is crawling  
Away from me.

I have failed myself,  
Will I ever heal?  
Sickness is my truth  
Burning lies into my veins.

Nothing means a thing to me  
When darkness rules my world.  
I'm a slave for you, I'm a pawn  
Within this game of death I play.

I can hear it calling,  
Why have you betrayed me?  
When my skin is crawling  
Far from myself.  
Can you hear me calling?  
I need you to save me.  
When my skin is crawling  
Away from me.

Can you hear me calling  
Why have you betrayed me?  
When my skin is crawling  
Far from myself.

I can hear me calling.  
I need you to save me.  
When my skin is crawling  
Away from me.

Away from me.  
Away from me.
