What do you want?
I'm not your slave,
I won't piss my soul away.
Thank you all,
I'm very touched
But I don't need your fucking praise.

I... I don't belong up here,
What do I have to do to be free?
I don't belong up here,
What do I have to do?

This stupid scene
I fell into makes me sick,
But it's okay.
Do you think I
Really care
What you fucking think of me?

I... I don't belong up here,
What do I have to do to be free?
I don't belong up here,
What do I have to do?

Take... me out of this place before I will die.
I'm drowned in this space, unbound with my pride.
I don't really care what you say.
I walk away.
I walk away.
I walk away.

I... I don't belong up here,
What do I have to do to be free?
I don't belong up here,
What do I have to do?

Take... me out of this place before I will die.
I'm drowned in this space, unbound with my pride.
I don't really care what you say once you do... ohhh
yeahhh.
I don't really care what you say.

I walk away.
I walk away.
I walk away.
