From the ashes, I saved myself  
And I'm not one of the weak.  
From the wreckage, I pulled myself.  
I thank God that it wasn't me.

Will I find my anger again?  
Or will my faith prevail?

So many times I lied.  
How many times I tried?  
Wasted amongst the dead.  
Why can't I just die?

From the ashes, I rise.  
From the ashes, I rise.  
From the ashes, I rise.  
From the ashes, I rise.

From the ashes, I saved my soul  
And now I'm not one of the damned.  
Why wait for me to fail?  
I don't know, I'll do what I can.

Will I find my anger again?  
Or will my faith prevail?

So many times I lied.  
How many times I tried?  
Wasted amongst the dead.  
Why can't I just die?

From the ashes, I rise.  
From the ashes, I rise.  
From the ashes, I rise.  
From the ashes, I rise.

So many times I lied.  
Why can't I just die?

From the ashes, I rise.  
From the ashes, I rise.  
From the ashes, I rise.

From the ashes, I rise.
