Will I find what I need and then justify my own life?  
And I'm vilified for my sins but I've found a home. I'm  
condemned.

This obsession with the filth I breathe  
Tears my soul, it makes my life complete.

Don't think nothing can stop me now.  
No! Have I lost my way?  
Yeah, hallowed be the pain.  
Don't think nothing can stop me now.  
No! Have I lost my way?  
Yeah, hallowed be the pain.

Raise me from the dead and then justify my own life.  
And I'm crucified by my hands. I have found a home  
I'm condemned.  
This obsession with the filth I breathe  
Tears my soul it makes my life complete.

Don't think nothing can stop me now.  
No! Have I lost my way?  
Yeah, hallowed be the pain.  
Don't think nothing can stop me now.  
No! Have I lost my way?  
Yeah, hallowed be the pain.

I'm condemned.  
I'm condemned.

Will I find what I need and then justify my own life?  
And I'm vilified for my sins but I've found a home. I'm  
condemned.

This obsession with the filth I bring  
Tears my soul, it makes my life complete.

Don't think nothing can stop me now.  
No! Have I lost my way?  
Yeah, hallowed be the pain.  
Don't think nothing can stop me now.  
No! Have I lost my way?  
Yeah, hallowed be the pain.

Hallowed.  
Hallowed.  
I'm condemned.
