Do you take me for a fool by spinning vicious lies?
I see through your agenda hiding in your smile.

I'm always searching,
I don't need your answers.
Why don't you go away
And bleed your twisted tale?
Cause I'm always searching,
And one day you will...

Take back everything that you said
I'm no shallow soul.
Take back everything that you said
And I'm no shallow soul.

I have my own opinion, I don't need your help.
Your eyes, they tell a story, one of true despair.

I'm always searching,
I don't need your answers.
Why don't you go away
And bleed your twisted tale?
Cause I'm always searching
And one day you will...

Take back everything that you said
And I'm no shallow soul.
Take back everything that you said
And I'm no shallow soul.
Take back everything that you said
And I'm no shallow soul.
Take back everything that you said
And I'm no shallow soul.

I'm always searching,
I don't need your answers.
Why don't you go away
And bleed your twisted tale?
Cause I'm always searching
And one day you will...

Take back everything that you said

And I'm no shallow soul.
Take back everything that you said
And I'm no shallow soul.
Take back everything that you said
And I'm no shallow soul.
Take back everything that you said
And I'm no shallow soul.
