Here I am alone
Broken by my ghosts
Will they always haunt me when I'm drowning
Shattered by my pride married to my guilt
And the road I walk is paved with sorrow
I lost again dark days arise
Oh will I find the light
Yeah
Will you save my Wicked Soul
If I swear that I'll change my ways
Yeah
Will you save my Wicked Soul
If I swear that I'll change my ways
[Interlude]
Staring at my wounds
That I once had closed
Will they also burn me when I'm drowning
Fighting for my pride and try to shed my guilt
I've become a vessel for your torment
I've lost again dark days arise
Oh will I find the light
Yeah
Will you save my Wicked Soul
If I swear that I'll change my ways
Yeah
Will you save my Wicked Soul
If I swear that I'll change my ways
Oh
[Solo]
Yeah
Will you save my Wicked Soul if I swear that I'll change
Yeah
Will you save my Wicked Soul
If I swear that I'll change my ways
Save me Save me
Wo oh yeah Wont you Save my Soul
Wo oh oh yeah yeah wont you save me
