Chorus

We'll be together again
We'll be the same as back hen
I am the love that you were looking for
I'm telling you baby
We'll meet once more

Verse 1

The first time i saw you babe
You knocked me off my feet
It must have been the curiosity
That cupid threw you eyes to me
You were giving me a hard time
And then with your games I could
It would take for ever babe
Ti'll you let me get my game to you

Bridge

No sense in your friends
Wana get rid of me
What's it gona me
It's too late hear say
Menacing rumours and you slipped away

Chorus

Verse 2

Tell me what your doing now
And what you like before you sleep
Once more will do you right
And that is a promise I intend to keep
So tell me do you have a boyfriend
And would he ever let you go
The thought of it is killing me
Baby get on the phone coz i hve to know.
