Play the singsong Sammy
Tonight I'll sleep alone
You know finally it's over
My heart feels like a stone
'Cause my love has gone Sam
And he won't come back
Bring me one more drink and
Play again this track

Sam play the singsong for me
Only one more time and all my sorrows slowly
disappear
Sam play the singsong for me
Play it once again and all the fear and memories will
leave

Play the singsong Sammy
Tomorrow I will quit
'Cause I feel like going crazy
And I will leave this shit
They act like I'm a loser
Say that I don't work hard
But I know I got soul Sam
And that I'm pretty smart

Sam play...

Play the singsong Sammy
'Cause all the money's gone
There is nothing left for me
Except this pretty song
Come on let's sing together
Like we always do
'Cause there is something left, Sam
I got a friend like you

Sam play...

I need no more sorrows
I need no more pain
Give me hope and sunshine
Let me smile again

I need no more sorrows
I need no more pain
Play the singsong Sammy
Let me sing my friend

Sam play...
