Flesh awaits eclipse  
Blade running on flesh fieldz  
I dive  
Blacksun burning inside  
Hooked by fire  
Phoenix rising (rise)

Dreamz under skin  
Those incisions  
Seek those who hide  
Beneath  
And below...

Rejektet visions  
Seen it all through skarz  
Witness with silence

Scissors unity, key used  
Any flesh unlocked  
Creates an unsoiled cathedral

Painwitness, eyewitness  
Liquid dance  
Liquid drips (from under to beneath)  
Forming the offering

Dreamz under skin  
Incisions  
Seek those who hide  
Beneath  
And below...
