Oh the one above all
Let me form the new unity
Let us be You
Nailz
Long time gone
Nailed
The only son
Failure - rapture - failure
Raised and force fed lies

Never healing from the dogma

"See me, hear me, swallow me"
Those were my wordz

My vision spawns your reflexxion

On day one - flesh bent
On day two - repent
On day three - heavens?
On day four - pregnant

Visions through reflexxion

On day five - a new son
On day six - reborn

Swallow me - "none of yours"
Wormz on day 6
Wormz on day 6
Wormz on day 6
