Nothing

And nothing's where you're at
When you ain't got something
You'll never get it back

It's coming on like a drug
The universal power of one
But it don't mean nothing
If it all comes undone

Fly away
If you fly away
You might die today
If you fly, if you fly

Gimme some love
Gimme some skin
If we ain't got that then we ain't got much
And we ain't got nothing, nothing

Gimme some love
Gimme some skin
If we ain't got that then we ain't got much
And we ain't got nothing, nothing

You're left with nothing
And nothing's what you've got
When you ain't got no-one, no-one
You could have had the lot

And if it's over today
You'll never get that thing
You had together, no way
You only get it once, once

Fly away
If you fly, if you fly

Gimme some love
Gimme some skin
If we ain't got that then we ain't got much
And we ain't got nothing, nothing

Gimme some love
Gimme some skin
If we ain't got that then we ain't got much
And we ain't got nothing, nothing

We ain't got nothing
We ain't got nothing
A day's a number
Don't remember how you found it

You will never feel the same
And forever have to take it for granted
Don't remember our mistake

Gimme some love
So gimme some skin
If we ain't got that then we ain't got much
And we ain't got nothing, nothing

Gimme some love
So gimme some skin
If we ain't got that then we ain't got much
And we ain't got nothing, nothing

Gimme some love
So gimme some skin
If we ain't got that then we ain't got much
And we ain't got nothing, nothing

So gimme some love
So gimme some skin
If we ain't got that then we ain't got much
And we ain't got nothing, nothing

Gimme some love
So gimme some skin
If we ain't got that then we ain't got much
And we ain't got nothing, nothing
