[A Plus]

Yeah yeah

It's A Plus, this my last good deed

It's Good Time Charlie, what's happenin

Go on roll that up; Hieroglyphics baby

A.G., C-7 I see you

We gon' ride out, smoke this

Yeah

[Chorus: A Plus]

Partner please, I'm off with thieves

Shakin cops and crooks and H-O-E's

Ridin through the East just smokin on my weed

I drive with my knees when I'm rollin up my trees

Niggarole please, I'm A Plee

Hieroglyphics the team that's made mo' green

Shakin pigs and crooks and H-O-E's

I drive with my knees when I'm rollin up my trees

[A Plus]

A Plus, Hieroglyphics and I'm makin my keep

Pass out, get out of bed and smoke an eighth in my sleep

It's a couple people hatin cause they ain't who I be

Certain levels we can't speak cause my brain is too deep

I'ma keep that to myself though; game recognize game

I'm teakin out my wealth bro, demonizin klepto

Hang you off of a building and see if I'ma let go

Niggaz bitin my shit gon' need a lot of Pepto

Type to poison my own food, I know the antidote

Think you eatin off of me? Fool you and your man'll choke

Adam go get 'em but the niggaz don't even matter though

Rappers are scary and they styles are Barry Manilow

I'm in the lab, tireless, eyes aching

Girls blowin me up, my wireless vibratin

I ain't chillin with baby she got so so head

'Fin to get a chicken patty and some cocoa bread

Knah-da-mean?

[Chorus]

[A Plus]

Yeah it go A Plus, uhh, Wagonneers, uhh  
You don't smoke, you think it smell bad in here, huh?  
Got my shit a little mo' than three G's  
And soon as I brought it home fiends stole the TV (what  
the FUCK?~!)  
Left me with the speakers and the dish  
But I got somethin for the next tweaker creepin in my  
shit  
And I still ain't replaced 'em, fuck what you think about  
it  
Long as no one break in my crib cause they ain't gettin  
out it  
Leave it at that, I keep it peaceful  
Cats'll run up on you like "What you fuckin with me fo'?"  
Gotta watch yo' back up in Oakland some niggaz e-vil  
I be busy makin the beats, watchin my weed grow  
People people please calm down  
If you see me doin it big when Plee in y'all town (don't  
trip)  
Don't start no drama or youse a goner  
I don't wanna have to call Ice Digga {for his salama?}  
Knah-da-mean?

[Chorus]

{\*instrumental break\*}

[Chorus]

[A Plus]

Hieroglyphics baby  
C-7 T-7 baby  
Go on, watch for them po'-po's though  
Don't do what I do, don't go to jail over weed  
Smoke out though, don't hurt nobody  
This my last good deed  
Get it while it's good baby  
A Plee  
  
"Is it possible that your chemical could have affected  
your brain?"
