Something's going on, I don't know what I did  
But it worked out fine again  
I got you in my song and it sounds like a hit  
It's gonna be alright again

We're something to celebrate  
The more you love, the more you hate  
Who cares about us anyway  
Something's going on

Take some time to graduate  
Take some time and don't be late  
Who cares about us anyway  
Something's going on

Nothing's going right, this could go on all night  
Gotta raise my game again  
You're the same as me, I fit you perfectly  
I'll never be the same again

We're something to celebrate  
The more you love, the more you hate  
Who cares about us anyway  
Something's going on

Take some time to graduate  
Take some time and don't be late  
Who cares about us anyway  
Something's going on

I wanna stare at you, I wanna stare at you  
I wanna stare at you all night  
I wanna stare at you, I wanna stare at you  
Wanna be wearing you all night  
Yeah, something's going on

We're something to celebrate  
The more you love, the more you hate  
Who cares about us anyway  
Something's going on

Take some time to graduate

Take some time and don't be late  
Who cares about us anyway  
Something's going on

Yeah, come on  
Something's going on  
Oh yeah  
There's something's going on
