Born into greed  
The wicked snared  
In the work of his own hands  
Realise their consumed in  
Flames of reality  
Triggers the bloodline inside  
For the faction to belong

Breakout tonight  
We are  
Taming the town  
We hide  
Within the night  
We are  
Taming the town  
We hide  
Within the night

In I  
Will I stand beyond this hill  
Alone but  
A martyr in me  
Lament this myth  
Bare the wall  
Here to rise  
Tonight

Glorify  
Nightfall  
From above as below  
Resolve the bastion of faith

A good seat  
In this dynasty  
Within  
The city of scars
