(verse 1)

I'm holding on, waiting for your call.
It's simple but i can't explain this.
I'm sinking down, I feel like i could die.
I'm falling off, I don't know why.

(Chorus)

I still believe it when you say, it's another perfect day.
Another perfect day
I still believe it when you say, it's another perfect day.
Another perfect day.

(verse 2)

So I might try, to leave it all behind.
I know tomorrow's not so bright now.
I'll say good-bye, 'cause nothing good can last.
You're wearing thin, you're nowhere fast.
But today, I don't know how to keep it all inside.
But I guess I'll let it slide.

(chorus)

I still believe it when you say, it's another perfect day.
Another perfect day.
I stil believe it when you say, it's another perfect day.
Another perfect day.

(Bridge)

Today, I don't know why I thought that it was real.
But i guess it's no big deal.

(chorus)

I still believe it, when you say, it's another perfect day.
Another perfect day.
I still believe it when you say, it's another perfect day.
Another perfect day.

I don't know how, I don't know how, I DON'T KNOW HOW.
To let it slide
