It's undeniable
That we should be together
It's unbelievable
How I used to say
That I'd fall never
The basis is need to know
If you don't know
Just how I feel
Then let me show you now
That I'm for real
If all things in time
Time will reveal

(chorus)
One
You're like a dream come true
Two
Just wanna be with you
Three
Girl, it's plain to see
That you're the only one for me
And four
Repeat steps one thru three
Five
Make you fall in love with me
If ever I believe my work is done
Then I'll start back at one

Say farewell to the dark of night
I see the coming of the sun
I feel like a little child
Whose life has just begun
You came and breathed new life
Into this lonely heart of mine
You threw out of the lifeline
Just in the nick of time.....

.....Coz you're the only one for me
And four
Repeat steps one thru three
Five

Make you fall in love with me
If ever I believe my work is done
Then I'll start back at one
