Here we go again ooh
Oh yeah say what say what Ohhhhh yeah
Say what say what oh oh oh yeah
Carwash carwash
You might not ever get rich
But I tell you it's better digging a ditch
There ain't no telling who you might meet
A moviestar or maybe a common thief

Working at the carwash oh oh yeah yeah
At the carwash yeah oh oh oh at the car wash
I say now sing it to me now
Working at the carwash yeah
Oh oh oh oh
Come some of the work looks kind of hard

This aint no place to be if you're planning on being a
star (being a star)
Don't you know it's always cool
And the boss don't mind sometimes if you acting like a
fool
Working at the carwash oh oh yeah yeah
Working at the carwash yeah oh oh oh at the car wash
I say now work it with me now
Working at the carwash yeah
Sing sing sing sing it
Work and work
Well those cars never stop coming

Work and work
Oh those wagons and machines keep humming
Work and work my fingers to the bones
Work and work
Well it's time to get home

Hey, get your car washed today
Fill up and you don't have to pay
Come on and give us a play.
Do the wash right away

Carwash oh oh oh oh yeah

At the carwash yeah oh oh oh
Carwash I say now sing it with me now
Carwash yeah
