Do you know how it feels
When there's nowhere to hide
With the world at your heels
And no one's there by your side

Everyone's got a view
But at the end of the day
I just have to be true
And i've got something to say

*don't ever fight
The fire inside
Just let your heart decide...

Don't tell me I'm not allowed to love you
Don't tell me I'm not allowed to hold you
Just tell me why does it feel so hard to breathe
This never felt so right
Don't tell me

There's a time in your life
When you find out what's real
And it seems that the past could be starting to heal

And it once seemed so wrong
And now you're okay
And left with a song
When there is nothing more to say

*

Non mi dire che non posso amarti
Non mi dire che non ti posso tenere
Allora dimmi perche non ho piu fiato
Che questo amore sembra vero
Don't tell me

Voglio farti sapere che dopo tutti questi anni
Mi ha dato la forza per superare i dolori

Ohh-woahh..

I am not allowed to love you
Not allowed to hold you
Just tell me why does it feel so hard to breathe
This never felt so right
Woah
Don't tell me (i'm not allowed to love you) woah
(don't tell me i) I am not allowed to hold you
Just tell me why does it feel, so hard to breathe
This never felt so right
Che questo amore sembra vero
Don't tell me
